## Help PPT promote new Community Organizing Fellowship: Beyond the East Busway

Pittsburghers for Public Transit is tremendously excited to launch our **first Community Organizing Fellowship!** The Fellowship will train organizers to lead the Beyond the East Busway Campaign, a grassroots effort to extend busway-quality service to McKeesport and Monroeville.

The fellowship is a three-week, **paid opportunity** for transit advocates in Allegheny County, with a heavy emphasis on residents of the Mon Valley and Eastern Suburb areas. There will be two cohorts with 8 organizers each.

For more details, check out this [blog post Describing the Fellowship & Application](#)

**Please help us get the word out by promoting the Fellowship through your networks.** We've included some sample text and images for any emails, facebook posts or tweets that you can put out. Please feel free to reach out if there are questions, or if you know anyone specifically who would be a great candidate.

Many thanks,

Dan Yablonsky

Title:

New Community Organizing Fellowship Will Push for Better Transit Beyond the East Busway

Post:

Commute times are the single biggest indicator of whether folks can get out of poverty. But the Mon Valley and the Eastern Suburbs have some of the longest commute times in the county. Its time to position families for success by expanding transit service that is fast and frequent.

Our friends at Pittsburghers for Public Transit are launching a paid Community Organizing Fellowship to train people to lead a grassroots campaign for better transit in the region. The fellowship is a paid, part-time, 3 week-long opportunity. Deadlines for application are June 14th, and July 19th.
